SILVERDALE | WALLACIA | WARRAGAMBA

2023

Acknowledgement^{*}

Wollondilly Shire Council acknowledges the traditional custodians of the land in Wollondilly, the Dharawal and Gundungurra peoples.

We acknowledge the living culture and spiritual connections to the land for the Dharawal and Gundungurra people and all Aboriginal Nation Groups that may have connections to the area; and that Wollondilly is remarkably placed as the intersection of many tribal lands.

We recognise the traditional Custodians who have occupied and cared for this Country over countless generations and celebrate their continuing contributions to the Shire.

We also acknowledge and remember the Dharawal and Gundungurra peoples who were killed in the Appin Massacre on 17 April 1816.

**We acknowledge our continuing collaboration with the Tharawal Local Aboriginal Land Council*

WOLLONDILLY SHIRE

WOLLONDILLY

The Wollondilly Shire Local Government Area (LGA) has many unique towns and villages, ranging from Warragamba in the north to Yanderra in the south. The Shire is a large rural area that offers beautiful landscapes and has a strong sense of community spirit.

In 2019/20, the community of Wollondilly was significantly impacted by the Green Wattle Creek bushfire, resulting in the loss of private homes, wildlife, facilities, and hectares of National Park bushland. Following this tragic event, the community faced additional challenges with storm events and flood damage, exacerbating the strain on the community.

In consultation with residents, response agencies, and key stakeholders, Wollondilly Shire Council developed the Activate Wollondilly 2021: Long-Term Recovery and Resilience Plan. This plan aims to assist the community through recovery and resilience building, and it identifies key strategies to support and guide the recovery process.

Asset Mapping was identified as a key strategy to support the implementation of the plan. This document is designed to highlight and inform the community about the facilities and groups available in their local area that can provide help in times of need.

Please Note:

- It is the responsibility of the RFS to identify and communicate evacuation points accordingly during an emergency. These points are often Community Assets and Council will work with the RFS to support accurate communication to the community.
- Evacuation Routes can change during an emergency. It is important to seek current RFS information before taking action.

SILVERDALE WALLACIA WARRAGAMBA

Silverdale, Warragamba and Wallacia located in the northern end of the shire, are quaint villages that make up for their small size with a big history including the construction of Warragamba Dam (Sydney's water supply). The community is proud of the "country feel" and the "rural atmosphere" of the area, further highlighting the community spirit. Warragamba is home to an all-inclusive play space, Livvi's Place, located at the Warragamba Civic Park. Silverdale has a blend of urban and rural lifestyles through its rich agricultural history combined with its modern infrastructure. Within close proximity to Warragamba and Silverdale, Wallacia is a quite village located beside the Nepean river, hosting a strong resilient community.

Information contained in this document is derived from Wollondilly Shire Council's Community Strengths and Resources Questionnaire 2023 and is a documentation of community thoughts and opinions. Statistical data is sourced from id.community and is supported by ABS Census data 2021. <https://profile.id.com.au/wollondilly/about?WebID=220>
