Tahmoor Soccer Club

- Would like to set up training goals at the back of the netball canteen. Damian and Nicole will go with David to check exactly where they will be placed
- Carpark needs repairs. Suggestion to get a grant submission in – closes 28/5; benefits everyone; WHS issue.

- Training going well
- Nadia is keeping a log of when the lights are turned on and off
- Having a display in Picton on Saturday

Cricket:

- all finished
- one team in grand final but unfortunately were beaten
- grounds are in good condition

Netball:

- Trying to apply for grant but waiting for quotes, for more hard surface courts. Cost 50-60,000 per court
- 12000 for repair of lifting courts which need to be ready for 7/4, drainage was all wrong
- New committee on board. No treasurer atm so bills will be caught up as soon as possible.
- Suggestion to look for alternative location for start of comp, Picton Leisure centre of high school? WNA could grind the surface themselves and seal with resurfacing product purchased from hardware – looking at all options

BOOKINGS

- Community walking group using the grounds on Wednesdays between 8 & 9am – Another group not paying the management committee
- Gates not being closed by council workers

HEALTH AND SAFETY ISSUES

- Carpark is a major issue
- Netball courts
- Rabbits still a problem

GROUND IMPROVEMENTS

- plan 12 months ahead to level, returf etc; discussion had about the many issues regarding this, including weather
- will update the priority list next meeting

The following are the priority items for ground improvements carried over:

Little Athletics: Cover for jump pits.

Kennel Club: Area around canteen and toilets needs to be cleaned up, levelled and surfaced (bitumen or turf, as appropriate). Seating around field.

Netball: Boggy area to be drained so that it can be used for parking. Additional storeroom.

Irrigation of grass courts.

Soccer Barbeque area. Portable grandstand / raised seating. Possible joint venture.

Cricket: Movable sight screens. Permanent shaded seating. Move bottom cricket net. More seating.

GENERAL BUSINESS

- Issue of double booking cricket and dog show again – this has been voted on and decision made for alternate years. Discussion – field 3 not large enough for trials, they will lose the date, not enough helpers to move to another site for the day – 6 to 10 trailer loads. Suggestion to completely move WABKC to Bargo Oval. Carol will investigate. Confirmed that we didn't want to lose them but it's in their best interest.
- Query re light replacement
- Change of meeting time not needed now

NEXT MEETING: 19th April

MEETING CLOSED: 8:15

Addit – Dave, Nicole and Damian approved of position for training goals.
