

Letter of Appreciation – Maintaining Parks and Gardens Appin – dated 6 May 2009

*Just a short note to thank your employee who is now maintaining our shop car parks and grounds around Appin. This person who I think may be named Mick is putting in the extra effort on a daily basis, sweeping our gutters making our areas much more presentable for the public who visit our shopping village. He shows enthusiasm and is conscientious in carrying out his daily duties for the Wollondilly Shire Council.*

*I have personally thanked this person / Mick for his efforts but I would like to pass on my thanks formally to the Wollondilly Shire Council. Keep up the good work.*
