

Letter of Appreciation – Charity Golf Day dated 27 May 2009

*Thank you for inviting me to attend the Mayoral Charity Golf Day on Friday 22 May 2009. I really enjoyed the opportunity to meet with you and your supporters. They are also obviously supporters of the Heart Foundation too and for that we are very appreciative.*

*We spoke briefly on the day about some literature I had, which may be of interest and I have included that if you would like to read over it.*

*If you would like me to join you one day at your offices to acknowledge receipt of your very generous donation I would be happy to do so.*

*I can be contacted directly either by phone or email at any time and once again thank you for the opportunity to attend your Charity Golf Day and your support of the Heart Foundation.*
