

Letter of Appreciation – Road works in Lyons Road dated 22 June 2009

*May we congratulate you and your staff on the magnificent, swift and detailed sealing of these roads, which we found completed on arriving home last night. I have yet to see the whole area, but Lyons Road and the extension up our front gate is a work of art, and we are tempted to organise our 60<sup>th</sup> Wedding Anniversary at Newbourne Paddocks at the end of the year just to show off your handiwork to the guests who attended ten years ago, when they had to climb the mountain dirt track.*

*With much appreciation.*
