

Letter of Appreciation – Sealing of Roads, Lakesland dated 23 June 2009

*We would like to thank you, Councillors and everyone at Council for their help in having Moss Vale Avenue, Nepean Road, Lyons Road and Aitken Street sealed. We were aware it would have been difficult to organise financially, logistically and getting everyone involved on board.*

*We would like to especially thank Cr Simon Landow for his time, effort and guidance in the matter. The job of sealing was fantastic, even if there were some delays due to the bad weather.*

*The benefits to the residents were instantaneous.*

*Thank you.*

*P.S. Thank you once again and can you please pass on our thanks to all involved.*
