

**Comments**

Noted as a class 3 event.

It was noted that the temporary 'No Stopping Zone' should be displayed along both sides of Remembrance Drive. CY will request for the TCP to be updated to ensure that No Stopping, Return to Speed & Road Work signs be included.

**UNANIMOUSLY APPROVED****2 GENERAL BUSINESS****2.1 TRAFFIC CONTROL AT INTERSECTION OF MENANGLE ST AT ARGYLE ST, PICTON**

Council recently implemented a 'No right turn' sign along Menangle St at Argyle St. We have since installed a secondary 'No right turn' sign opposite the intersection, however we have had further requests from members of the public.

MT advised that his team can do some enforcement to inform motorists of the new restriction.

DH advised that pavement markings would not be necessary and suggested to start with enforcement. It was recommended to revisit this issue at the next LTC meeting to see if supplementary signs will need to be implemented.

SB raised concerns about bus's having to do a U-Turn to head back towards Camden. Mike Nelson suggested for the new route to go straight down Menangle St and turn right onto Walton St. Stephen took this on-board and will amend the schedule.

MM raised concerns around crossing along Colden St. This was noted and will be considered particularly when looking into the precinct development to improved pedestrian connectivity around Colden St. Norma advised it would be helpful to know where people are trying to cross to see if we need to relocate the current pedestrian refuge.

**2.2 ADJUSTING SCHOOL ZONE TIME FOR WOLLONDILLY ANGLICAN COLLAGE**

MT has received requests from Wollondilly Anglican Collage to adjust the school zone times.

MM added that this issue has been raised in the past and TfNSW advised that it cannot be changed. Dina Hanna provided feedback on behalf of TfNSW advising that they try and maintain consistency across NSW to avoid confusion to motorists. Dina advised there is no further action for this.

**2.3 HANDOVER BUS ZONES TO PARKLANDS**

CM raised a question about handover of bus zones to normal parking. Mike Nelson and Norma Towel advised that this request be sent through to Council outlining the bus zones we are removing.

## **2.4 PARKING OPPOSITE PICTON HIGH SCHOOL TO HENRY ST**

CM raised concerns around conflicting signage opposite Picton High school. One half state 1hr parking and the other is unrestricted. Council is undertaking an audit to re-assess this issue.

**The Meeting closed a 2:34pm.**

**The minutes of this meeting were confirmed at the Traffic Committee Meeting held on 3 August 2021.**

**Mike Nelson  
CHAIRPERSON**
