

About RRT

RRT delivers hope and relief to people across the globe. Whether it be fire, flood or humanitarian need, RRT expands their support services to meet the need at hand. RRT provides quality catering services and tangible support to emergency services and people in crisis.

Who We Support

Emergency & Disaster Relief

When disaster strikes, you can count on RRT to jump into action, and serve emergency services on the frontline with quality food and refreshments and provide tangible support to those affected through RRT designed and operated initiatives.

Youth

RRT has a heart for the youth and RRT volunteers set out to support youth-focused charities that empower young people to grow beyond their adversities.

Health & Disability

When it comes to health and disability, RRT steps in to support government-based organisations and charities to raise funds and awareness about cancer research, carer support and much more.

Homelessness

RRT supports homeless missions across the globe, bringing light into the lives of those who don't have a place to call home by serving meals and donating blankets, hygiene kits and other essential items.

Mission, Vision and Values

Mission

To serve people with care and compassion in their time of need.

Vision

For the Plymouth Brethren Christian Church (PBCC) to express the Christian principles of care and compassion, by way of benevolent relief to people in need.

Values

- Global Team
- Community Care
- Compassion
- Consistency

Overview of initiatives

Fire Relief

Rapid Water Systems

Rapid Water Systems was designed and engineered to rapidly pump water from previously inaccessible water sources to the fire front, filling four large fire trucks in less than three minutes. This innovative initiative allows firefighters to spend more time on the front line, and less time finding water sources.

Operation Fire Relief

Operation Fire Relief was designed to bring fire-ravaged communities together, and support families who lost their home to bushfires by donating a \$1,000 Eftpos gift card, RRT Food Boxes, and Cookie the Kookaburra to children affected.

Drought Relief

Farmers Community Connect

Farmers Community Connect was designed to be a feel good day for farmers to enjoy where they can connect with their local community, have a bite to eat and reach out to local service providers. As part of this community day out, RRT donates one tonne bulker bags of livestock pellets to farmers affected by disasters.

Operation Drought Relief

Launched in 2018, Operation Drought Relief (ODR) came to the aid of thousands of farmers as RRT transported bales of hay from one side of Australia to the other to bring relief to farmers affected by drought.

Operation Christmas Dinner

Operation Christmas Dinner brought a little hope to farmers doing it tough by donating \$250 cash cards to help bring farming families together for Christmas.

Food Relief

RRT Food Box

After wanting to do more for families and individuals affected by domestic violence, RRT designed the Food Box which provides emergency food supplies for people and families in need, and now supports people from low socio-economic backgrounds and those in crisis.

RRT Snack Packs

RRT has designed two versatile snacks packs to support more people in crisis. The Frontline Snack Pack serves emergency services on the run, and the Comfort Snack Pack supports people who are homeless, or at risk of becoming homeless..

Smarrt Cookie Initiative

The Smarrt Cookie initiative aims to assist in the fight against hunger in primary school aged children and break down the barrier hunger has in distracting children from their education, ensuring they reach their full potential.
