Domestic Waste Delivery Program and Payment of Garbage Rate Policy

1. Dwellings and domestic premises in Rural and Residential Zones

All dwellings and domestic premises in Rural and Residential zones within an area serviced by Council are to be charged for the provision of Council’s Domestic Waste Management Service subject to the following exemptions:

- Where Council is unable to provide the Domestic Waste Management Service to dwelling and domestic premises in the Rural and Residential zones due to site layout characteristics and/or location and an alternative service is approved by Council.
- Existing dwellings, domestic premises and retirement villages in the Rural and Residential zones in streets serviced by Council that are not provided with Council's Domestic Waste Management Services as at 1 July 2013 due to the utilisation of a separate non-Council waste service.

2. Dwellings and domestic premises in Commercial / Industrial Zones

Dwellings and domestic premises in Commercial and Industrial Zones are to be charged for the provision of the Council’s Domestic Waste Management Service whether or not any non-Council waste arrangement exists.

Dwellings and domestic premises in these zones that were not provided with Council’s Domestic Waste Management Service as at 1 July 2005 due to the utilisation of a separate non-Council waste service will be exempt from the charge.

3. Garden Organics

The garden organics service will be provided as a core service to residential premises in the Towns and Villages and specified surrounding rural/residential areas with areas of approximately 4,000m².

This policy applies to all dwellings and domestic premises.
