

SEPTEMBER BUSINESS MONTH

September is Business Month, so why not join us at one or a number of business related events across the South-West Sydney Region.

The South West Sydney Business Enterprise Centre is proud to continue to be working in partnership with Campbelltown City Council, Liverpool City Council, Wollondilly Shire Council and Camden Council to bring you Business Month. Some of these events are subsidised by the NSW Government through the Small Biz Connect Program.

During September there are a diverse range of Workshops, Seminars and Expos across South-West Sydney with topics covering, but not limited to:

- » Planning
- » Marketing
- » Tax
- » Customer Service
- » Social Media
