

TAHMOOR BMX TRACK UPGRADE

CONSTRUCTION PROJECT ON ITS WAY

A new Pump Track is being built on this site and will replace the beginners run. The new Pump Track will offer new and additional opportunities for people of all ages and experience levels to participate in BMX riding.

The new Pump Track will begin construction in mid-August and will be completed by the end of September 2017. The new Pump Track is supported by the Born To Ride Freestyle Association Inc.

Detailed Plan

Site Plan

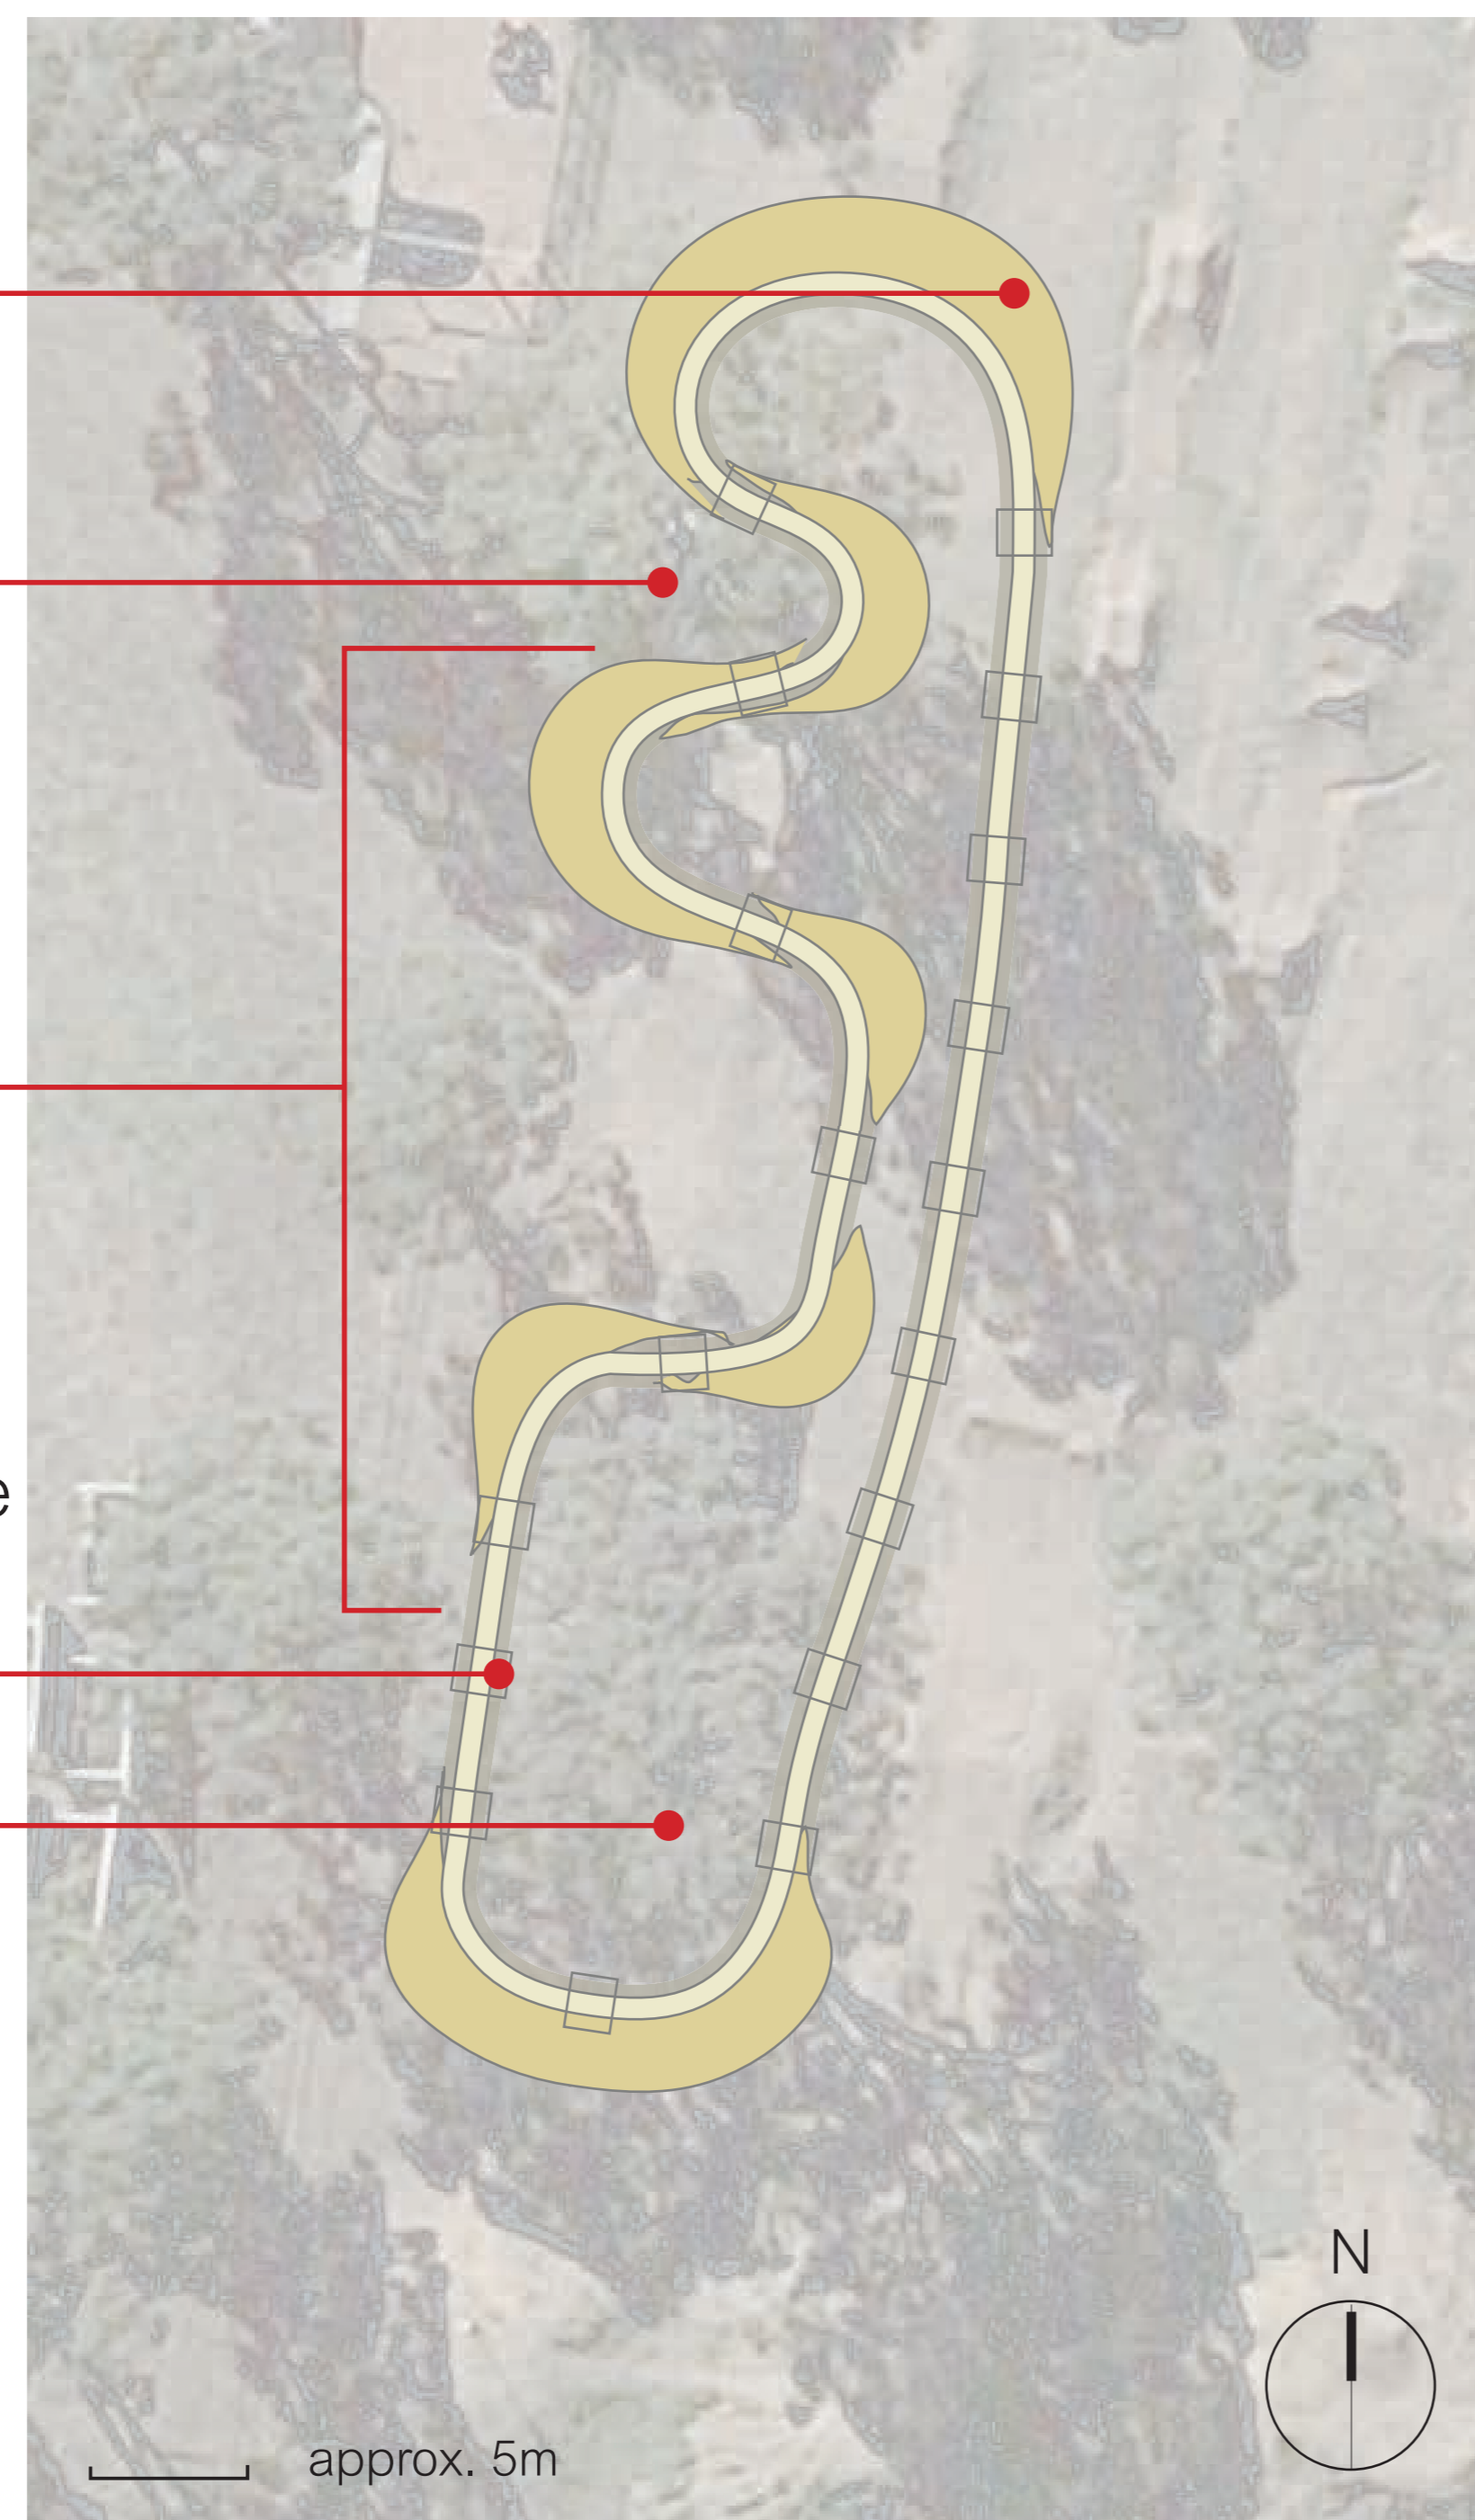

Feature: berm

Existing established tree
(to be retained)

Provide 'transfer'
connection opportunities
between the proposed
pump track and the
existing table-top jump line

Feature: roller

Existing established tree
(to be retained)
