## Projects Completed in Qtr. 4

- 1 **Mayfarm Rd, Brownlow Hill** – Initial works carried out in the previous quarter involved strengthening the pavement and installing asphalt adjacent to the intersection of Burragorang Rd to accommodate the increasing turning movements. This quarter involved Stage 2 roadworks, granular roadbase reconstruction and road widening along 860m of road. Approximately, 5,500t of roadbase was used for this project.
- 2 **Remembrance Drwy, Razorback** - Council completed asphalt overlay consisting of approx. 3,200t along a 2km stretch of road. Federal Government Black Spot Programme funding was utilised on this section of roadway.
- 3 **Montpelier Drwy, The Oaks** - Federal Government, Black Spot Programme, funded to improve road safety. Two sections were targeted which included shoulder work, road patching, sealing and approx. 2800t of asphalt to improve road safety.
- 4 **Finns Rd, Menangle** - Council undertook night roadworks on this high traffic road. Approximately, 6,500t of asphalt was laid over 1.6km stretch of road. 2,000t of material was recycled for batter work.
- 5 **Argyle St, Picton (SportsPower)** - Replacement of 41m of kerb and gutter, works were undertaken to maintain the existing tree whilst fixing the immediate drainage issues at the site. Preconstruction works uncovered an abnormally large root. Root guards and trench mesh were installed to limit future disturbance to the kerb and gutter.
- 6 **Station St, Douglas Park** - Kerb and gutter replacement and asphalt resurfacing.
- 7 **Goodlet St, Thirlmere** - Qtr. 2 works included the kerb and gutter, some road reconstruction, additional speed signage and improvements to parking. In April, the footpath was installed providing Thirlmere Public School with improved safe access for students and community.
- 8 **Menangle St, Picton** - Construction and installation of two gatic lid, drainage pits and replacement of damaged footpath.
- 9 **Denmead St, Thirlmere** - As part of the Stormwater Levy funded programme, installation of stormwater drainage pipes and pit construction. Including walkway improvements adjacent to Wollondilly Pony Club.
- 10 **Appin Park (Wonsons Oval)** - Completion of new accessible amenities block including the installation of security fencing. Appin Hall refurbishment of kitchen and roof repainted.
- 11 **Heavy Patching** - Hawthorn Rd, Bargo #154, Mayfarm Rd, Brownlow Hill #219, 11 Poplar Pl, Picton, Wonga Rd, Remembrance Drwy, Menangle Rd, near Finns Rd intersection.
- 12 **New Bus Shelter** - Emmett St, Tahmoor.
- 13 **Wilton RFS Shed** - New RFS Shed access and driveway spray sealed.
- 14 **Bridgwater Park** - Bridge replacement.
- 15 **Burragorang Rd, Belimbla Park** - Asphalt resurfacing roadwork completed.

Remembrance Drwy, Razorback

## Road Upgrade Program (Black Spot)

Council successfully obtained \$1.8M funding from the Federal Government through the Black Spot programme. This initiative targets roads which have a history of recorded accidents. Three sections of roadway were upgraded and improved for safety. These were Montpelier Drwy, @ Evelyns Range Rd, Montpelier Drwy near Old Oaks Road, The Oaks and Remembrance Drwy, Razorback.

This work has been completed to improve safety of roads in our Shire.

Bargo Accessible Amenities

## Road Renewal (Widening and/or Reconstruction)

Council has responsibility for 850km of roadway. This quarter's major projects included upgrades to Finns Road, Menangle and Mayfarm Rd, Brownlow Hill.

Other significant reconstruction works this year included, Remembrance Dr, Tahmoor between Rockford Rd to Stratford Rd. Additionally, roadworks were completed at Spring Creek Rd Mt Hunter, Werombi Rd @ Mount Hunter Rivulet, Brownlow Hill and Avon Dam Rd, Bargo.

Burraborang Rd, Belimbla Park

## Heavy Patching

Since the 3rd Quarter Council's Heavy Patching Crew have repaired 1500m<sup>2</sup> of small scale pavement failures.

The team focused on small scale patching of failures on busy Council roads including Menangle Rd, Thirlmere Way, Werombi Rd, West Parade, Mt Hercules Rd and Montpelier Dr.

Mayfarm Rd, Brownlow Hill

## Lodging a Customer Request

Wollondilly Shire Council takes Customer Requests from the community relating to issues relating to facilities and infrastructure. A Customer Request can be made in person, by telephone or in writing.

Council has one number for all your Council needs

Pot hole repairs 2017 - 2018

Council operates a truck to undertake repairs on Council's extensive road network. This machine is purpose built to fill potholes, correct road surface defects and respond to maintenance requests. It is often a temporary solution until Council has the resources to address the failures permanently.

Approximately 25,000 potholes were repaired across the Shire this financial year. A total of 15,870 potholes were repaired in the first two quarters of this financial year alone. A further 10,000 were repaired in the second half of the financial year.

## Traffic Facilities

Council installed a new pedestrian refuge on Camden Rd near the shops to improve pedestrian access to Douglas Park Public School.

In addition, a total of approximately 460m of guardrail was installed at various sites in the Shire. to improve safety.

## Amenities

Three new accessible amenities blocks were constructed. The newly opened, Appin Park, Memorial Park facility. Also recently opened amenities blocks at Thirlmere and Bargo Sportsground.

This year Council also constructed an new bus shelter at Emmett St, Tahmoor.

## Footpaths / Shared Pathways

Council maintains over 80km of footpaths. This year's projects included the upgrade of Botanic Gardens/Picton 210m of gravel pathway, upgrade of 150m of shareway at Yanderra/Bargo cycleway, upgrade of 240m of footpath & concrete shareway at Bell St, Thirlmere, and upgrade of 70m of footpath along Burragorang Rd, Oakdale.

Additionally, Thirlmere Primary School access was improved with the installation of a new footpath along Goodlet St.

Council performed footpath grinding and maintenance works at various locations across the Shire.

## Kerb & Gutter / Drainage

A total of eight significant Kerb and Gutter projects were completed this fiscal year. New kerb and gutter was constructed at Goodlet St, Thirlmere. Kerb and Gutter was renewed at Argyle St, Picton (outside IGA & SportsPower), Station St, Douglas Park, John St, The Oaks, Menangle St, Picton, Struan St, Tahmoor and Abelia St, Tahmoor.

Council inspects and performs programmed maintenance work on roadside drainage infrastructure. In addition to this maintenance, major additions to the drainage network included pit and pipe installation work at Menangle St, Picton and Denmead St, Thirlmere. Council also completed drainage repairs to the dam within Picton Golf Club.

For the new FY 18/19, Council is implementing a drainage maintenance program which aims to attend to sites twice yearly for reactive and proactive work.
