Projects Completed/Under Way in the 2nd Quarter

Abbotsford Rd, Picton - Asphalt patching and resurfacing between Barker's Lodge Rd and Equestrian Drive, Picton was completed in early December. This work also included shoulder reconstruction.

Cedar Ck Rd, Lakesland - Asphalt patching and resealing on 353m length of road between Cedar Creek Bridge and Mulhollands Rd, Lakesland was completed in December.

Pheasants Nest Rd, Pheasants Nest - Asphalt patching and resealing on four sections of approximately 1.6km length of road. These sections included at intersection of Arina Rd, Pheasants Nest, near Lyrebird Rd and near Knox Rd. This project is in progress with final linemarking scheduled to be undertaken in Quarter 3.

Silverdale Rd, Silverdale - Asphalt road pavement reconstruction on a high traffic section of roadway between Marsh Rd and Lewis St, Silverdale.

Silverdale Rd, Orangeville - Council undertook asphalt rural road reconstruction on 580m length of roadway. This work has provided a wider, safer road being the only transport link between the northern and southern parts of the shire.

Remembrance Drwy, Bridgewater (New Footpath) - Council completed the construction of 135m length of new footpath/cycleway, including handrail.

Denmead St, Thirlmere (Footpath Renewal) - Council installed 278m of new shared footpath including the provision of retaining walls and balustrade. This work has provided safer accessibility for cyclists and residents in the area.

Patching Road Maintenance - Heavy Patching Road Maintenance was completed at Remembrance Drwy, Razorback. Including a reseal. Station St, Couridjah,

Road Regrading - Old Jerusalem Rd, Oakdale; Old Razorback Rd, Razorback and Bourke St, Appin as part of the Road Maintenance Programme.

18/19 Capital Works Program (Phase 1 Resurfacing) - This program was completed in Quarter 2 and will ensure future maintenance costs are reduce by maintaining roads in optimum condition. In this quarter the following roads were targeted to maintain and preserve their existing surface. These included Camden Rd, Douglas Park; Mallam Rd, Yallambi St, Picton; Mary St, The Oaks (Overlay), Miller Place, Tahmoor; Peel St, Wilton; Tullet Ave and Young Ave, Camden Park.

Fourteenth St, Warragamba - Civic Park - The \$1.4M Inclusive Play Space project @ Warragamba is progressing and is scheduled for completion in Quarter 4.

New Accessible Amenities Facilities - Council completed two toilet block renewals—one at Emmett Park, Tahmoor and the other at Willis Park, Oakdale. Both involved the demolition of the existing blocks and the construction of new buildings. Storage facilities were also incorporated into the upgrades which help to service the local towns and villages

Bus Shelters - Installation of new bus shelters at Camden St, Wilton & York St, Tahmoor

Mowbray Park Rd, Mowbray Park
