Projects Completed/Underway in the 3rd Quarter

Projects Completed/Under Way in the 3rd Quarter

Stage 1 Bridge St & Argyle St Picton - Stage 1 was completed in quarter 3 and included the installation of 170LM of 0.850m diameter pipe across Bridge St, Picton and construction of 185LM of kerb and gutter. The second Stage commences in early May.

Thirlmere Way, Thirlmere - Asphalt reconstruction of a 442m length of road, south towards Bell St, Thirlmere, including the busy Turner St roundabout at Thirlmere.

Menangle Rd, Maldon - Rural road widening, stormwater drainage and granular road reconstruction and sealing of 456m length of roadway. New guardrail installation and linemarking will be completed in Quarter 4.

Donalds Range Rd, Razorback - Council completed asphalt road pavement reconstruction and shoulder widening of a 410m segment of roadway. Linemarking is scheduled for final quarter of this financial year.

Remembrance Drwy, Razorback - Council received funding via the Saving Lives on Country Roads Program, which assisted the delivery of upgrades to flexible barriers. Black spot funding was also utilised to reconstruct asphalt over a 1.2km length of roadway near the Truck Rest Area. Linemarking will be finalised in the next quarter.

Argyle St, Picton - Council replaced 62m of footpath in the retail precinct of Picton. This work has provided safer accessibility for pedestrians and shoppers in the area. The previous footpath was uneven.

Patching Road Maintenance - Heavy patching was completed at Montpelier Dr, Victoria Park Rd, The Oaks; Remembrance Dry, Tahmoor & Picton; Menangle St West, Cowper St, Bollard Place, Picton; Menangle Rd, Menangle, Station St, Douglas St, Douglas Park, Marsh Rd, Warragamba and Silverdale Rd, Silverdale Nth of Big Hill Rd. Shoulder work was also completed on Silverdale Rd, Silverdale.

Drainage Maintenance - Dymond St, Bargo; Mullholands Rd, Appin; Barkers Lodge Rd, Picton; and adjacent to Bargo Bowling Club.

Road Regrading - as part of the Road Maintenance Programme. Shoulder work along Silverdale Rd, Silverdale; regrading of Victoria Park Rd, The Oaks; Ridge Rd, Oakdale; Oaks Rd, Bronzewing St, Thirlmere and Evelyn's Range Rd, Mount Hunter.

Fourteenth St, Warragamba - Civic Park - The \$1.4M Inclusive Play Space project @ Warragamba is progressing with Council taking a direct approach to the management of the construction works. Elements of the project will be open in Quarter 4.

Wilton Sportsfield - Council completed construction of the Sportsfield and is currently allowing the playing surface to settle prior to the White Waratahs Rugby Union Club playing the first game on the field on 1st June.

Wet weather events - Council closed off Douglas Park Causeway 19th March 2019 due to flooding. The causeway was closed to through traffic due to land slippage and fallen trees. Council crews worked after hours to restore access to roadways due to fallen trees.
