Finns Rd Menangle

Silverdale Rd, Silverdale

Projects Completed in the 1st and 2nd Quarter

Argyle St, Picton - Early in the first quarter Council undertook full width asphalt reconstruction works on a 315m section from Picton Ave to 221 Argyle St, Picton. This section road is very busy during the day with complexities due to the rail overpass.

Argyle St, Picton Mary Mackillop Car Park - This project was completed following the Argyle St, Picton road reconstruction project. The road pavement was milled and replaced with asphaltic concrete. Approximately 650 tonnes of asphalt was placed in this project. This car park is a central town car park which is also used to cater for many community event such as Illuminate. Durable thermoplastic line-marking was used to mark the car spaces.

Camden St, Wilton - Early in the first quarter asphalt reconstruction was performed between Fitzroy St and Wonson St, Wilton. Further road reconstruction and drainage work will be carried out along Argyle St, Wilton upgrading the town centre infrastructure.

Silverdale Rd, Silverdale - Full width road reconstruction on 390m section between Lewis St towards Warradale Rd, Silverdale. A total of approximately 3,000 tonnes of asphalt was placed. Approximately 6,200 vehicles use this road every day. This was a significant reconstruction with up to 40 workers on site, 20 trucks, profilers, pavers and various other equipment.

Warradale Rd, Silverdale - Work continued in the Silverdale area with another significant project along Warradale Rd, Silverdale. Full width reconstruction was performed between Lewis St and Warradale Rd.

Station St, Thirlmere - Following road reconstruction at the roundabout. Road reconstruction, widening and spray-sealing was performed in this quarter near the intersection of Thirlmere Way and between Jarvis St and Austins Lane. The entrance to Thirlmere Cemetery was also resealed.

Coachwood Crescent, Picton - Completed the replacement of existing damaged kerb and gutter as part of an extensive repair and maintenance program in the shire.

Patching Road Maintenance - Heavy Patching Road Maintenance was completed at Arina Rd, Bargo River Rd, Tylers Rd, Bargo; East Prd & West Prd Buxton; Barkers Lodge Rd, Lakesland; Woodbridge Rd, Menangle; Bobs Range Rd, Silverdale Rd, Orangeville; Douglas Park Drive, Douglas Park; Nightingale Rd, Pheasants Nest; Marsh Rd, Waterhouse Dr, Silverdale; Oaks Rd, Thirlmere Way, Tahmoor; Stathmore Rd, The Oaks; Ryan St, Thirlmere; Carlisle St, Yanderra;

19/20 Capital Works Program (Phase 1 Resurfacing) - This program will be completed in Quarter 2 and will ensure future maintenance costs are reduce by maintaining roads in optimum condition. Roads were targeted to maintain and preserve their existing surface. These included Burrells Rd, Menangle; Mount Hercules Rd, Razorback; Kasch Close, Tahmoor; McKee Rd, Nectarbrook Dr, Theresa Park; Scroggies Rd, Thirlmere; Remembrance Drwy, Yanderra; Eagle Ck Rd, Merdoch Rd, Werombi; Sheil Rd, Wilton Rd, Wilton;

Fourteenth St, Warragamba - Civic Park - The Inclusive Play Space project @ Warragamba is one of the facilities projects completed in November 2019. This project incorporates a children's play area featuring play equipment and sensory items as well as park furniture, landscaping including the renewal of the retaining wall, accessible amenities and footpaths. This project is jointly funded by the Federal and State Governments, Wollondilly Shire Council and the Touched by Olivia Foundation.

Wilton Recreation Reserve - Installation of fencing.

Argyle St, Picton - Installation of a new bus shelter.

Cubbitch Barta Reserve, Camden Park - Installation of a new multi purpose court.
