The information will be stored in Council's records system and may be placed on Council's Website or be subject to a request to access information under the Government Information (Public Access) Act 2009 (GIPAA).

#### NOTES:

- **Note 1**: In the case of Crown Land within the meaning of the Crown Lands Act 1989, the owner's consent must be signed by an officer of the Department of Land and Water Conservation, authorised for these purposes by the Governor-in-Council, from time to time.
- **Note 2:** In the case of land owned by a company, the owner's consent must be signed in accordance with the provisions of s52A or s127 of the *Corporations Act 2001* (Commonwealth)
- Note 3: Changes to the Local Government and Planning Legislation Amendment (Political Donations) Bill 2008 amended the Environmental Planning and Assessment Act 1979 in the following way:
  - Any person making a planning application or submission is required to disclose "reportable political donations" and gifts made to any Local Councillor (or Council Staff member) within two (2) years of making the application or submission. Failure to do so constitutes an offence of 100 units, or \$11,000.
  - The disclosure is to accompany an application or submission, or if the donation or gift is made following the submission or application, then within seven (7) days of the donation or gift.
  - Details in this disclosure are predefined, and include the details of who is to receive the benefit, the details of the donor, as well as the donation amount or gift being donated.

### Note 4. Excavation or Filling of a Waterway

Does your proposal involve any excavation or filling of the bed of a natural or semi-natural waterway whether permanently or intermittently inundated or flowing (including a bay, estuary, lake, river, creek, lagoon or wetland), with any earth, soil, rock, rubble, concrete, timber or bricks etc? This does not include works within farm dams, urban ponds, irrigation channels, stormwater ponds, sewerage treatment ponds etc.

Yes U You will need a permit under Section 201 of the *Fisheries Management Act 1994* from NSW Department of Primary Industries.

# **Obstruct Fish Passage**

Does your proposal involve the construction of any structure such as a weir, dam, floodgate, culvert or causeway across any natural or semi-natural waterway whether permanently or intermittently inundated or flowing (including a bay, estuary, lake, river, creek, lagoon or wetland)?

Yes 
You will need a permit under Section 201 or 219 of the Fisheries Management Act 1994 from NSW Department of Primary Industries.

No 🗖

- **Note 5.** Section 73A of the *Building Professionals Act 2005* provides that an accredited certifier must not carry out certification work for a person unless the certifier, or their employer, has entered into a written agreement with the person.
- **Note 6.** Issue of a Certificate of Compliance under Section 22D of the Swimming Pool Act 1992 and part 6 of the Environment Planning and Assessment Act 1979.
- Note 7. Under the Local Government Act 1993 a "relative" in relation to a person, means any of the following:
  - (a) The parent, grandparent, brother, sister, uncle, aunt, nephew, niece, lineal decedent or adopted child of the person or of the persons spouse or de facto partner,
  - (b) The spouse or de facto partner of the person or of a person referred to in paragraph (a)

# ADDITIONAL INFORMATION

Further information is available from Council's website <a href="www.wollondilly.nsw.gov.au">www.wollondilly.nsw.gov.au</a> or by contacting Council on (02) 4677 1100
The consent authority may, within 21 days of receiving the Development Application, ask for additional information on the development if that information is necessary for the determination of the application or if that information is required by a concurrence authority.

The consent authority may, within 25 days after the lodgement of a Development Application for Integrated Development, ask for additional information concerning the development if the information is necessary for the determination of the application or if the information is required by an approval body.

The application may be supported with additional material (e.g., photographs, slides, models, etc.) illustrating the proposed development and its context.
