## Structure of Community Forums

Community Forums will not be run according to formal meeting procedures, with motions introduced then speakers taking the floor to talk for or against the motion. There are to be no resolutions, recommendations or motions passed in Community Forums.

One of the main objectives of Community Forums is to encourage the involvement of all landowners and residents in providing Council with information on matters within the Council Business Papers. To do this, formal motions supporting or opposing a matter are not to be submitted. A Forum should be a means by which people can come together and explore matters and question activities or policies that affect their Community. Community Forums seek to be welcoming and informal occasions.

The Forum will have a nominated Councillor as the Chairperson. In the absence of a chairperson the General Manager will Chair the Community Forum.

**Formal Community Forum matters** will be as per the set agenda. During this time, input from our community is welcomed in an endeavour to maximise community feedback. Community Safety will be a fixed quarterly item on the agenda.

### Community Safety Presentations

Representatives from the three (3) Local Area Commands (LAC's) covering Wollondilly Shire are invited to attend to present information to the community in relation to community safety issues. The presentations will be held in the months of February; May; August and November. Community members will be given an opportunity to raise issues and discuss matters relevant to Community Safety.

**Community Question/Statement Time** will be for items relating to the Ordinary Meeting agenda. The person must be in attendance at the Forum. Forms can be submitted up to 12 noon on the day of the Forum. The Chairperson will read out the matter and then invite the person to speak. Each speaker's time will be a maximum of five (5) minutes.

**Informal Discussions** will allow time for our community to have a cup of tea or coffee and speak openly with Councillors and Council Officers about any matter they wish to raise.
