

# COVID-19 vaccinations

## Information for adults aged 50 years and over in South Western Sydney

**Adults aged 50 years and over are now eligible for the COVID-19 vaccine. The AstraZeneca COVID-19 vaccine is administered.**

Almost 200 general practices in South Western Sydney are part of the national vaccination rollout. GP respiratory clinics and Aboriginal Community Controlled Health Services are also administering vaccines.

### Arrange your COVID vaccination

- **Call your GP:** If your regular general practice is a COVID-19 vaccination clinic give them a call to arrange your vaccination.
- **Phone your preferred GP respiratory clinic:** See next page for clinics in South Western Sydney.
- **Book your COVID-19 vaccination online:** Answer a few questions on **The Vaccine Eligibility Checker** website below to find vaccine clinics and book online.

## **Mittagong GP Respiratory Clinic**

**58 Bowral Rd, Mittagong**

Ph: **02 4800 9032**

**Directions and parking:** The respiratory clinic is located in the lower level of Mittagong Health Care Centre.

## **Fairfield GP Respiratory Clinic**

**3/118 Ware St, Fairfield**

Ph: **02 9724 7512**

**Directions and parking:** Street parking, or Downey Lane council car park, or Fairfield Forum shopping centre.

### **Bring identification to your vaccination appointment**

All standard forms of identification (drivers licence, passport) and government issued documents with your date of birth (e.g. Centrelink, Medicare, Department of Veterans Affairs) will be accepted. If you have a My Health Record, this can also be used as identification.

Individuals attending their usual GP may rely on their clinic's records as evidence.
