C	RE ISSUED FOR DA	01.08.2019	VP	CZ

General Notes:

- 1) All dimensions and floor areas are to be verified by the Builder prior to the commencement of any building work. Any discrepancies are to be brought to the attention of the designer.
- 2) Levels shown are approximate unless accompanied by reduced levels.
- 3) Figured dimensions must be taken in preference to scaling.
- 4) All boundary clearances must be verified by the surveyor prior to commencement of any building work.
- 5) Where engineering drawings are required such must take preference to this drawing.
- 6) Stormwater to be discharged to Councils' requirements and AS 3500.3-1990.
- 7) All services to be located and verified by the Builder with relevant authorities before any building work commences.
