Dear Sir

**PROPOSED SUBDIVISION – 36 GREENACRE DRIVE TAHMOOR**

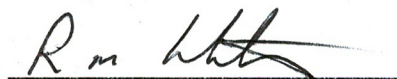

X-Travigant P/L is the registered proprietor of 30 Greenacre Drive Tahmoor. This property is the subject of a development application, soon to be lodged with Council, seeking approval for a residential subdivision.

It is understood that the adjoining property, 36 Greenacre Drive, is also preparing to lodge a development application for a residential subdivision.

For the purposes of the DA process, this letter confirms that, in the event 36 Greenacre Drive develops before 30 Greenacre Drive, X-Travigant Pty Ltd agrees to permit a temporary earth batter on its land to support filling activities on 36 Greenacre Drive associated with the subdivision, as well as the creation of a temporary easement if necessary. The location and extent of the earth batter are detailed on the attached plan.

Yours faithfully
