Hi

Yesterday I express posted a development application for a subdivision at the above site. Council would most likely have received it today.

I omitted to include the attached letter.

Would you kindly add the attached to the bundle of documentation?

Thanks

Dear Sir

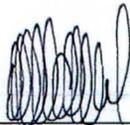

PROPOSED SUBDIVISION – 30 GREENACRE DRIVE TAHMOOR

I am the registered proprietor of 36 Greenacre Drive, Tahmoor. The property is the subject of a development application, soon to be lodged with Council, seeking approval for a residential subdivision.

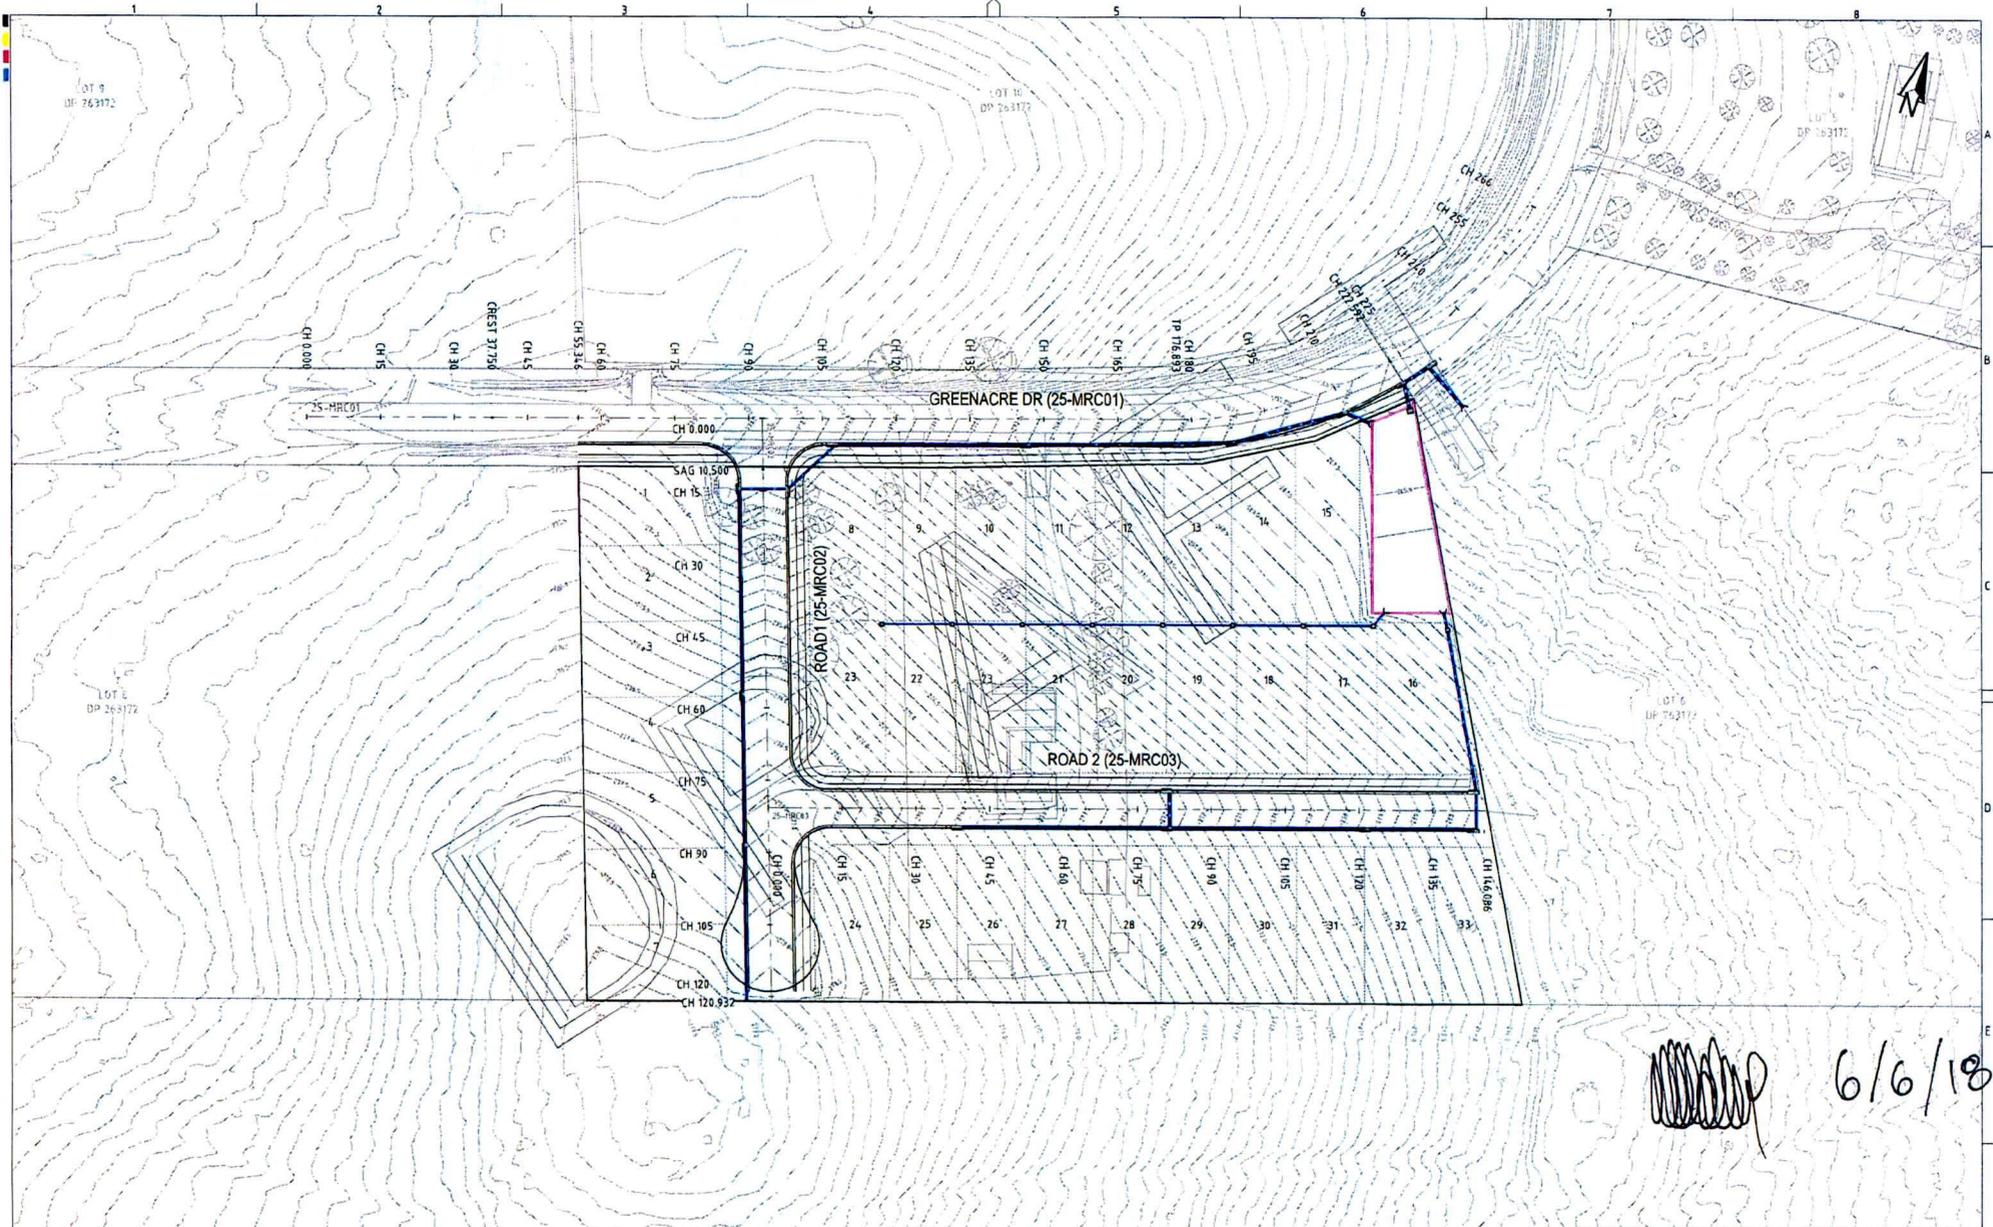

I understand that the adjoining property, 30 Greenacre Drive Tahmoor, is also preparing to lodge a development application for a residential subdivision.

For the purposes of the DA process, this letter confirms that, in the event 30 Greenacre Drive develops before 36 Greenacre Drive, I agree to permit stormwater to be directed onto my property, as detailed on the plan set prepared by Martens and Associates P/L (P1706329 - PS02 - E100), as well as an appropriate temporary easement, if required. Further, I agree to permit access onto my land for the purpose of filling and compacting clean fill adjacent to a retaining wall located on the existing boundary between the lots.

Yours faithfully

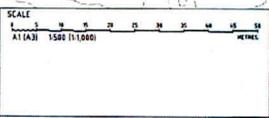

Mark Maloney
