

Notices of Motion List

TRIM 6416-7

NOM1 **Notice of Motion No. 1 submitted by Cr Banasik on 4 July 2017 regarding residential rezoning applications in Appin**

MOTION

That Council put a freeze on any current and future residential rezoning applications in Appin until there has been substantial safety upgrades to Appin Road. Further, letters be sent to the State Government, Federal Government and Campbelltown Council advising them of our decision.

TRIM 6416-7

NOM2 **Notice of Motion No. 2 submitted by Cr Banasik on 5 July 2017 regarding installing Filtered Water Stations in appropriate locations**

MOTION

That Council investigate installing Filtered Water Stations in appropriate locations throughout the Shire. (The City of Ryde has just installed some with funding from the EPA waste less levy.)

TRIM 6416-7

NOM3 **Notice of Motion No. 3 submitted by Cr Banasik on 11 July 2017 regarding calling for a review which allows developers to sell blocks of land off the plan**

MOTION

That Wollondilly Council write to the State Government calling for a review which allows developers to sell blocks of land off the plan. Which can lead to new home owners waiting long periods for the blocks to be registered. Also Council requests the State Government to put more resources into speeding up land registrations. Further, this motion be sent to Local Government NSW to be an item at the next Conference.

TRIM 6416-7

NOM4

Notice of Motion No. 4 submitted by Cr Banasik and Cr Deeth on 12 July 2017 regarding supporting the investigations being undertaken by the Commonwealth Government and private operators for High Speed Rail

MOTION

That Council in principle support the recommendations outlined in the Infrastructure Australia report 'Corridor Protection - Planning and investing for the long term, July 2017' and support the investigations being undertaken by the Commonwealth Government and private operators for High Speed Rail.

Further, that:

1. Council write to the Department of Planning and Environment and the Minister for Planning Anthony Roberts requesting an urgent halt to rezoning of the South East quadrant of Wilton Priority Growth Area and Mt Gilead to resolve the protection of the proposed High Speed Rail Corridor prior to rezoning these sites to ensure opportunities for potential savings for the NSW Government are not lost. Further, that this letter request protection of this corridor be incorporated into the Greater Macarthur Priority Growth Area.
2. Council write to the NSW Minister for Transport and Infrastructure; Andrew Constance and Treasurer; Dominic Perrottet, outlining corridor protection for a high speed rail link could provide substantial savings for tax payers and request urgent action on key findings in the Infrastructure Australia report.
3. Council liaise with Infrastructure Australia to understand the Casula to Douglas Park and Douglas Park to Yerrinbool segments identifying the key challenges within the identified growth corridor.
4. A report come to Council outlining the strategic benefits to Wilton and Wollondilly by the inclusion of a high speed rail corridor and potential station located at Wilton. This report should identify the strategic location of Wilton New Town and benefits of being at the junction of key infrastructure (including the Hume Hwy, Picton Rd, possible rail link to second Sydney airport, M9).
5. Council write to Campbelltown Council to advise them of our position in regard to this matter and liaise with our neighbours and other stakeholders on the matter.
6. Council write to the Member for Wollondilly; Jai Rowel, and Lou Amato MLC, Member for Hume; Angus Taylor advising them of Councils position and requesting their support.

TRIM 6416-7

NOM5 **Notice of Motion No. 5 submitted by Cr Deeth on 12 July 2017 regarding the embellishment of Appin Park****MOTION**

That a report come to council that considers the embellishment of Appin Park, particularly catering to facilities and services for the youth.

This report should consider the following:

1. Investigations of options to improve facilities and services, including feedback from the community, for youth in Appin.
2. Potential sources of funding, including through Section 94 Contributions (under the Environmental Planning & Assessment Act).

TRIM 6416-7

NOM6 **Notice of Motion No. 6 submitted by Cr Deeth on 14 July 2017 regarding the upgrade of the existing village of Wilton's Streetscape****MOTION**

That a report come to Council outlining the upgrade of the existing village of Wilton's streetscape similar to Bingara Gorge and future developments in Wilton.

This report should address:

1. Street tree planting
2. Kerb and Gutter
3. Shoulder sealing
4. Investigate the removal or upgrade of the Bingara Gorge signage at the corner of Pembroke and Picton Roads to reflect the location of Wilton
5. Ask RMS to add the word Wilton to the left turn sign into Bingara Gorge
6. Staged implementation plan and funding through future budgets.
