Moments captured have the ability to remind us that photography has the power to transport us to unseen worlds.

In a world seemingly overloaded by a daily avalanche of images, through Instagram, Facebook and television, can an image still cut through the clutter of it all and reveal to us something in our worlds that we have been missing?

The Macarthur councils are once again hosting the highly anticipated Macarthur Nature Photography Competition (MNPC) and are encouraging our high schools to engage their students in this competition.

We are inviting your students to enter their most striking, engaging and enticing images of local native flora, wildlife and natural scenery taken from within the Macarthur area, showcasing their artistic vision and impression of the natural environment to the wider community.

We have a great prize pool on offer and high school students have the unique opportunity to win the 2018 MNPC School Prize Package for their school.

Entry is easy

When students fill out their entry form, all they need to do is specify their school and age. They will then not only be in the running to win a prize for themselves in one of the five main categories, but they will also have the chance to win their school the MNPC School Prize Package, if selected as the best photo from the high school entries.

So, the more students from your school that enter, the more chance your school has of winning the School Prize Package!

Cameras come in all shapes and forms these days. Encourage students to snap a shot on their smart phone, iPad or camera!

Curriculum links

The MNPC is a great way to engage high school students in a range of syllabus content. The following details just some of the many learning outcomes that can be achieved through participation in this competition:

Creative Arts

Photography is the main medium of communication for the MNPC.

Competition themes

The five categories for the competition are:

- 1. Flora:** Images that showcase the diverse array of native flora found within the Macarthur region (i.e. plants, flowers, trees, leaves, bark).
- 2. Fauna:** Images that celebrate our unique native fauna found within the Macarthur region (ie: birds, mammals, invertebrates, reptiles, amphibians).
- 3. Waterways:** Images reflecting an aspect of the lakes, rivers and creeks of the Macarthur region (i.e. Thirlmere Lakes, Georges River, Nepean River and their tributaries).
- 4. Experience Nature:** Images which capture the best natural experiences the Macarthur has to offer. From bushwalking and swimming in secret waterholes, to your favourite lookouts. Images must predominantly showcase the natural environment and include a person/s.
- 5. Landscapes of Macarthur:** Panoramic images of characteristic landscapes and views of the Macarthur highlighting the unique features of the region (i.e. sunsets/sunrises, local nature reserves, national parks).

High School Prize Package

Any photograph that has been entered by the individual with the name of their high school and their school year included on the entry form, has the potential to win the best overall image taken by a high school student, and therefore the High School Prize Package, which has kindly been provided by Western Sydney University (WSU).

Woolgimai Environmental Education Centre: National Parks or Native Animal Educational Experience

The winning school will receive a valuable educational experience at the Woolgimai Environmental Education Centre.

The visit will include a full day of either a National Parks or Native Animal educational experience comprised of a bushwalk, study of local bushland including native plants and animals and aboriginal culture and heritage.

To find out more about the Woolgimai Environmental Education Centre visit: wooglemaieec.com.au

This excursion must take place before the end of the 2018 schooling year.

Awards night

The competition will culminate in an Awards Night, with all entrants and their families invited to come along and celebrate the amazing photography.

All images are displayed on the night for people to view, catering is provided and an MC and guest speaker make the night more than just an awards announcement.

All people who enter the competition will be notified of the date and location of the award ceremony when it has been finalised.

Competition rules

1. For the purposes of this competition, the competition organisers are defined as nominated staff involved in the organisation and coordination of the competition from Campbelltown City, Camden and Wollondilly Shire Councils.
2. The subject matter of the photographs submitted must be from within the Macarthur region, defined as Campbelltown, Camden and Wollondilly Local Government Areas (LGAs), and must be obtained lawfully.
3. Photographs may be black and white or colour.
4. Each entrant may enter a maximum of five photographs in the competition.
5. The content of a photograph must not be changed or manipulated in any way; that is, no cloning, montaging, or digital manipulation other than cropping, toning, digital spotting, burning and dodging is permitted. No addition or removal of subject matter is accepted. Retouching is limited to removal of normal scratches and dust spots. Colour adjustment should be minimal.
6. Each photograph can only be entered into one theme.
7. A panel of judges approved by the General Managers of the three participating councils, representing photography, art and local biodiversity expertise, will select the theme place winners and shortlist 10 images for the People's Choice Award, the winner of which will be chosen on the Awards Night by the general public. The judges' decision is final.
8. Respective Councillors, competition organisers, the judging panel and their immediate families are not eligible to enter the competition.
9. Entries must be submitted online or to one of the venues listed on the entry form by 4.30pm, Tuesday 2 October 2018. All printed entries must include the completed entry form and mounted photograph.
10. Late entries will not be accepted.
12. Any photos that have not been collected by February 2019 will be disposed of.
13. The competition organisers will not cover transport costs incurred in delivery or return of works.
14. Entrants must organise their own insurance cover against damage, loss by any means or theft. The competition organisers do not insure works in transit, storage or handling or on exhibition.
15. Entrants in this competition give permission for their works to be reproduced by print and electronic media by the competition organisers for not-for-profit publications, advertising and promotional purposes. Entrants will be acknowledged if the image is reproduced.
16. All personal information gathered by the competition organisers will be used solely for the purposes of administering the Macarthur Nature Photography Competition.
