*That Council ask MACROC to consider applying to host the 2018 Tourism Conference.*

I would now like to table the following pages of this document which provide more details in regard to events attended.

Council held a Warragamba Business Gathering on the 21 March 2017 at Warragamba Town Hall. There was a strong turnout of main street businesses who engaged in a lively debate regarding the challenges and opportunities within Warragamba.

Areas of discussion ranged from Council's Tourism and Infrastructure initiatives, Planning and DA process to growth in surrounding areas. Ways in which the business community could cohesively work together to promote and share a vision of the main street was shared and plans made to continue that discussion at a local level.

A business survey was conducted and results will be compiled as soon as possible.

I would like to thank Deputy Mayor, Robert Khan; and Councillors Matt Gould, Noel Lowry, Michael Banasik and Simon Landow for accompanying me to this event.
