Relax & enjoy

The Botanic Gardens

Welcome to Wollondilly's Botanic Gardens where rural living is at its best.

Getting There

A short walk from the historic village of Picton brings you to the Botanic Gardens sector.

Head north along Argyle St until you come to RSL Park. The Park provides push button BBQs, wet weather/ shade shelters for up to 50 people, accessible toilet facilities and playground equipment for the kids.

At the northern boundary of RSL Park, you will see a walking path through to the tennis courts and oval. Follow the path until you reach the beginning of the cycle way, a 9km return walk or ride on flat surface. The path crosses the bridge and follows the course of Stonequarry Creek. It provides beautiful views to the farming lands directly behind the Village. The creek also keeps the kids amused with the simple pleasures in life such as frog and tadpole spotting. If you are looking for a pretty picnic spot then you will enjoy the gardens and the creek.

Parking for cars and coaches is available at RSL Park or on Regreme Rd (please see the map over the page).

Accessible parking is available in the Regreme Road car park where you will only have a small walk to the attractions provided.

Botanic Gardens Facilities

Facilities in the gardens include a cycle way, BBQs, tables, toilets, playground equipment for the kids and of course, a landscaped garden area to enjoy.

Weddings and Other Functions

Bridal parties enjoy the Botanic Gardens as a unique venue for their special day. Details for booking the Botanic Gardens gazebo and staging area for a function are available through Wollondilly Shire Council (Phone 4677 1100).

There is a small fee attached to having a function to cover insurance liabilities.

Further Information

For further information about the gardens or more Wollondilly walking tracks, contact the Wollondilly Visitor Information Centre 42-44 Menangle St, Picton.
