### **Booking Officer Report: THE FOLLOWING IS AN IMPORTANT MESSAGE FOR ALL GROUND USERS.**

John received correspondence from Danae Launder at Council highlighting that all all ground bookings require public liability cover. This is to protect Council (including the committee) and the protection of the organisers of an event. If something should go wrong, and the organisers are not insured, they can be held personally liable. Users need to understand the importance of having appropriate public liability cover. There is the need that the committee members must follow council policies and procedures, by not allowing an event to proceed without suitable insurance as it could leave oneself exposed to litigation if anything was to go wrong.

**Mail In:** Nil

**Mail out:** Nil
